

The Ways of Our Worlds

The Ways of Our Words

Everyday poetry for people who enjoy playing with words and the way we see our worlds.

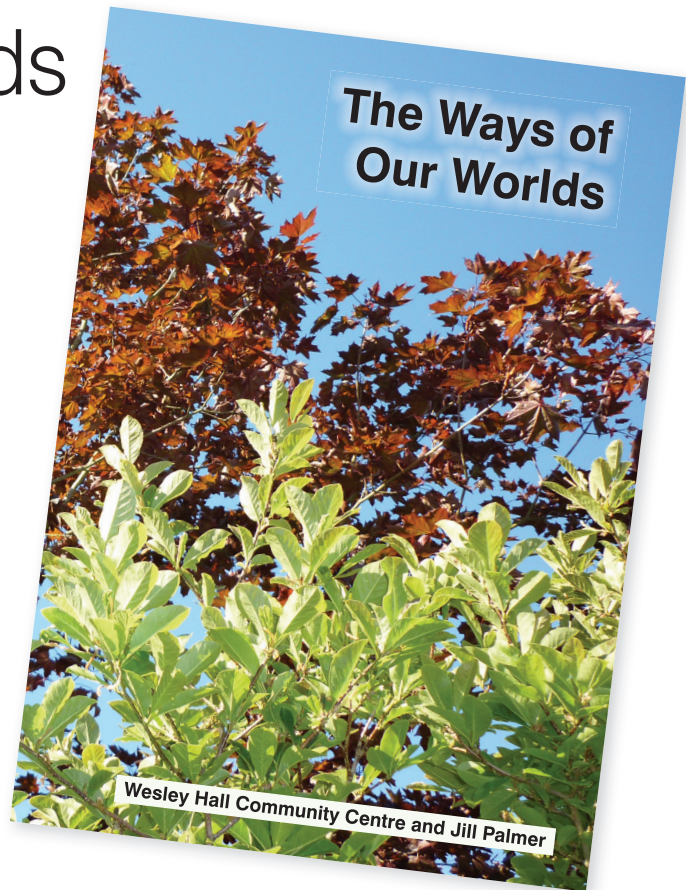

A compilation of poems written by those who dare to say it as it is! Or is it?

You will be able to identify with the pictures created if you let yourself go a bit.

There is a lot of comedy in our poetry. Co-Poet Jill Palmer tells it like it is, as an extra ordinary woman from Melton Mowbray!

Our poets from Wesley Hall Community Centre are people who suffer from enduring mental health problems and have expressed themselves in funny and sometimes endearing ways.
